

SURF CITY CHRISTIAN PRE-K PROGRAM 2021-2022 SCHOOL YEAR

The SCC Pre-K Experience

Our SCC Pre-K Program is a top notch, academic preparatory program that focuses on the development of the whole child. With our small class size, we can identify and foster each child's unique learning style. We strive to create confident, lifelong readers and writers with excellent curriculum such as Alpha Friends Phonics Program, Rainbow Writing Journals, Writer's Workshop, leveled reading program and more. STEAM is woven throughout our curriculum as we incorporate science, technology, engineering, art, and math into our daily schedule. Christ is truly the center of our school and as we focus on spiritual, character development and personal responsibility in our students. Chapel, scripture memorization, bible knowledge and a strong foundation in the word of God is taught and sprinkled with the seeds of the Holy Spirit. We strive to facilitate learning by equipping students with the tools to be successful, while fostering character development and inspiring a love for learning and for God. We teach and model the Fruits of the Spirit and utilize a Positive Behavior Modification Program called Red Choice/Green Choices. Our SCC Pre-K Program develops the whole child through challenging academics with a Biblical worldview, student-focused teaching, play based learning opportunities and a nurturing classroom environment. This top-notch Pre-K program is wrapped up in the loving and experienced arms of highly experienced SCC Christian educators.
