

## **SURF CITY CHRISTIAN KINDERGARTEN PROGRAM 2021-2022 SCHOOL YEAR**

### **The SCC Kinder Experience**

Our SCC Kindergarten Program is a top notch, academic preparatory program for elementary school. Our Houghton Mifflin Common Core Curriculum is highly acclaimed and used throughout the surrounding school districts and based upon CA state standards. SCC Kinder Program fosters independent, critical thinkers, with a strong academic and spiritual learning experience. With our small class size, we identify and foster each child's unique learning style. We strive to create confident, lifelong readers and writers with our guided and leveled reading program, Phonics Program, and Writers' Workshop. STEAM is woven throughout our curriculum as we incorporate science, technology, engineering, art and math into our daily schedule and routines. Christ is truly the center of our school and mission statement as we focus on spiritual, character development and personal responsibility in our kindergarten students. Chapel, scripture memorization, bible knowledge, Fruit of the Spirit Program, and a strong foundation in the word of God is taught and sprinkled with the seeds of the Holy Spirit. This top notch academic, spiritual, and social/emotional program is wrapped up in the loving and experienced arms of a highly experienced SCC Christian educator.
