

# SURF CITY CHRISTIAN SEA TURTLES PROGRAM

2021-2022 SCHOOL YEAR

## **The SCC SEA TURTLES Experience (AGES 3-4 YEARS)**

Our SCC Sea Turtle Program is a top notch play based program that focuses on the development of the whole child; social/emotional, academic and spiritual. With our small class size, we can identify and foster each child's unique learning style. We strive to create confident, lifelong learners with opportunities in art, math concepts, language arts and development, fine motor development and more! STEAM is woven throughout our curriculum as we incorporate science, technology, engineering, art, and math into our daily schedule. Christ is truly the center of our school and as we focus on spiritual, character development and personal responsibility in our students. Chapel, scripture memorization, bible knowledge and a strong foundation in the word of God is taught and sprinkled with the seeds of the Holy Spirit. We strive to facilitate learning by equipping students with the tools to be successful, while fostering character development and inspiring a love for learning and for God. We teach and model the Fruits of the Spirit and utilize a Positive Behavior Modification Program called Red Choice/Green Choices. Our SCC Sea Turtle Program develops the whole child through play-based learning centers, with a Biblical worldview, student-focused teaching, positive reinforcement and a nurturing classroom environment. This top-notch Sea Turtle Program is wrapped up in the loving and experienced arms of highly experienced SCC Christian educators.
